

### Used InTrac Steering Axle Trailed Sprayer (with 2 sets of wheels):-

- **6000 litre** main tank with 700 litre fresh water tank complete with remote cam coupler fill
- Mechanical dry sight tube
- **24/36m RHA3 heavy duty tri-fold boom** with variable geometry, boom lock & tilt
- Poziflow air switching and continuous recirculation giving high pressure spray line prime and purge (*Air taken off tractor*)
- Quin nozzle bodies on 6 section stainless steel ½" spray lines
- 50lt stainless steel chemical induction hopper complete with twin canwash & draining board
- Hydraulically driven 700 l/min. Hypro 9306 centrifugal pump & self priming adaptor
- Continental AC85 380/90 R46 (55%) wheel assemblies set at 2.0m track width
- Trelleborg TM900 650/75 R38 (85%)
- Full size mudguards complete with mud flap extensions
- 11 tonne 120mm solid beam steering axle complete with 10 x 22mm studs at 335 pcd
- S-cam commercial heavy duty hydraulic brakes
- **Air suspension** (*Air taken off tractor*)
- Heavy duty pick up hitch drawbar
- 2½" suction system
- 1½" pressure system
- Large 800 litre suction filter
- Xenius CanBus guidance touch-screen electronics for rate control, sequential boom section switching, application volume and pressure read-outs, forward speed, tank volumes, etc
- **SpraySat GPS** automatic boom section control of **18 x 2m air switched boom sections**
- CanBus hydraulic controls and intelligent steering/tracking
- Full electro-hydraulics (*Only 1 single acting tractor spool valve required*)
- 15 litre hand wash
- Large clothing lockers
- LED road lights & rear flashing beacon
- 6 x LED boom work lights
- 11 litre/min. high pressure 190 bar wash-down kit, hose reel and hand lance
- Orion in-fill flow meter with display screen
- **Norac UC 5** boom height control
